## 5. LEFTOVERS? KEEP THEM CRISPY

Air fryer

180 °C · 4–6 min

Turbo broiler

200 °C · 10–12 min

Oven

200 °C · 10–15 min

Pan

Medium · 3–4 min/side

Refrigerate within 2 hours (1 hour on very hot days) and eat within 3–4 days. Skip the microwave alone: it makes the crust soggy.
